

## Media Release

### Local Epilepsy Support Group to meet

The Epilepsy Foundation of Victoria's Colac Support Group will meet to hear pharmacist, Gurpreet Singh, talk on epilepsy and medication.

Anyone interested in learning more about epilepsy and talking with others who have experience with the condition are welcome to attend.

The meeting will be held on 11 June at the Community Learning Centre, 34 Connor Street, Colac from 11.00am to 1.00pm.

The event is free, however guests are asked to bring a plate of food to share for lunch.

For further information on the meeting or joining the group, please call the Geelong Office of the Epilepsy Foundation on 03 5223 1769.

*The Epilepsy Foundation of Victoria provides support for people living with epilepsy and their families to help them achieve their goals. Our services include information, advice and support, epilepsy counselling and practical assistance, as well as education and training, research and advocacy on behalf of people with epilepsy. We work to raise awareness of epilepsy in the community to reduce the stigma and create a more welcoming and inclusive society.*

*The Colac Support Group is a local health information and mutual support group for people living with epilepsy, their immediate families and carers.*
